ECCHS

Early College High School

Associate Degree of Liberal Arts

Early College High School ECHS

(Associate of Liberal Arts)

ECHS in EISD allows students to receive a high school diploma and an associates degree, or up to two years of college credit. Students take a mixture of high school courses and college courses from Palo Alto College.

ECHS provides dual credit at no cost to students, offers rigorous instruction and accelerated courses, provides academic and social support services to help students succeed, increase college readiness, and reduce barriers to college access.

ECHS students engage in advanced level course-work supported by a study skills curriculum. In addition to the rigorous content learning students will receive lessons in social emotional skills sets such as self-management and communication skills. Students will focus on TSI preparation to ensure they are able to meet the TSI requirements of the college coursework.
