

ECHS Advising

ECHS students receive advising from Ms. Fisher, ECHS counselor, a minimum of two times per year. Those students who are at risk of failing or who may be struggling will receive more frequent individualized advising and support. In addition, Ms. Fisher and Ms. Stewart, ECHS administrator, meet with students and parents at midterm and after finals if they are at risk or struggling in the ECHS program. Ms. Fisher also visits the students in their AVID classes to provide advising and support.

Mr. Villalobos, ECHS College Coordinator of HS Programs, provides group and individual advising to the ECHS students throughout the year. For the Fall 2023 semester he advised students on the following dates:

Thursday, October 5th-twelfth graders

Thursday, October 19th- ninth graders

Thursday, October 26th-eleventh graders

Thursday, November 16th-tenth graders
