

PTECH Advising

Ptech students receive advising from Ms. Eads, Ptech counselor, two times per year. Those students who are at risk of failing or who may be struggling will receive more frequent individualized advising and support. In addition, Ms. Eads and Ms. Flores, Ptech Administrator, meet with students and parents at midterm and after finals if they are at risk or struggling in the Ptech program. Ms. Eads visits the students in their AVID classes to also provide support or advising to the Ptech students in those classes.

Mrs. DeLeon, Ptech College coordinator of HS Programs, provides advising to the Ptech students throughout the year. For the Fall 2023 semester she has advised students on the following dates:

Memorial PTECH - Culinary and Teaching Advising by Mrs. De Leon and Ms. Boone on 8/30/23.
Memorial PTECH – Culinary Arts advising presentation by Mrs. De Leon on 11/28/23 at 8:30 a.m.
Memorial PTECH – Culinary Arts advising presentation by Mrs. De Leon on 11/29/23 at 10:10 a.m.
